All About Love: New Visions Summary & Study Guide

(May 2017) All About Love: New Visions is a book by bell hooks published in 2000 that discusses aspects of love in modern society. Hooks combines personal anecdotes as well as psychological and philosophical ideas to develop and strengthen her argument.

All About Love: New Visions - Wikipedia

"All too often women believe it is a sign of commitment, an expression of love, to endure unkindness or cruelty, to forgive and forget. In actuality, when we love rightly we know that the healthy, loving response to cruelty and abuse is putting ourselves out of harm's way." ? Bell Hooks, All About Love: New Visions

All About Love Quotes by bell hooks - Goodreads

All About Love: New Visions (Bell Hooks Love Trilogy) "The word "love" is most often defined as a noun, yet...we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, the renowned scholar, cultural critic, and feminist skewers our view of love as romance.

new ways to think about love. Here, hooks, one of our most acute social critics, takes the themes that put her on the map - the relationship between love and sexuality, and the interconnectedness between the public and the private - and challenges the prevailing notion that romantic love is more important than all other bonds."

The acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation," All About Love is a revelation about what causes a polarized society and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

"The word "love" is most often defined as a noun, yet...we would all love to better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, the renowned scholar, cultural critic, and feminist skewers our view of love as romance. In its place she offers a proactive new ethic for a people and a society bereft with lovelessness. As bell hooks uses her incisive mind and razor-sharp pen to explode the question "What is love?" her answers strike at both the mind and heart. In thirteen concise chapters, hooks examines her own search for emotional connection and society's failure to provide a model for learning to love. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for the individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful affirmation of just how profoundly she can.

In the critical essays collected in *Black Looks*, bell hooks interrogates old narratives and argues for alternative ways to look at blackness, black subjectivity, and whiteness. Her focus is on spectatorship—in particular, the way blackness and black people are experienced in literature, music, television, and especially film—and her aim is to create a radical intervention into the way we talk about race and representation. As she describes: "the essays in *Black Looks* are meant to challenge and unsettle, to disrupt and subvert." As students, scholars, activists, intellectuals, and any other readers who have engaged with the book since its original release in 1992 can attest, that's exactly what these pieces do.

Discusses what black males fear most, their longing for intimacy, the pitfalls of patriarchy, and the destruction of oppression through redemption and love.

Drawing on both her roots in Kentucky and her adventures with Manhattan Coop boards, *Where*

We Stand is a successful black woman's reflection--personal, straight forward, and rigorously honest--on how our dilemmas of class and race are intertwined, and how we can find ways to think beyond them.

Everyone needs to love and be loved—even men. But to know love, men must be able to look at the ways that patriarchal culture keeps them from knowing themselves, from being in touch with their feelings, from loving. In *The Will to Change*, bell hooks gets to the heart of the matter and shows men how to express the emotions that are a fundamental part of who they are—whatever their age, marital status, ethnicity, or sexual orientation. But toxic masculinity punishes those fundamental emotions, and it's so deeply ingrained in our society that it's hard for men to not comply—but hooks wants to help change that. With trademark candor and fierce intelligence, hooks addresses the most common concerns of men, such as fear of intimacy and loss of their patriarchal place in society, in new and challenging ways. She believes men can find the way to spiritual unity by getting back in touch with the emotionally open part of themselves—and lay claim to the rich and rewarding inner lives that have historically been the exclusive province of women. A brave and astonishing work, *The Will to Change* is designed to help men reclaim the best part of themselves.

From writer, critic, and popular cultural icon bell hooks comes a seductive portrait of passion in fifty soul-stirring poems. When *Angels Speak of Love* heralds the debut of a major new poet: bell hooks. World renowned for her courageous, provocative intellectual writing and her alluring charisma, hooks poetically engages the erotic imagination -- creating a tapestry of words that are sensual, lush, and profoundly inspiring. In this beautiful new collection, hooks illuminates our experiences with love -- tracing the link between seduction and surrender; the intensity of desire; and the anguish of death. hooks's previous four titles on the topic of love -- from *All About Love* to *The Will to Change* -- have made her the go-to source for readers longing to bring more love into every aspect of their lives. These words are meant to be read aloud and learned by heart. This ecstatic collection affirms hooks's position as the high priestess of love.

Renowned visionary and theorist bell hooks began her exploration of the meaning of love in American culture with the critically acclaimed bestseller *All About Love: New Visions*. She continued her national dialogue with the bestselling *Salvation: Black People and Love*. Now hooks culminates her triumphant trilogy of love with *Communion: The Female Search for Love*. Intimate, revealing, provocative, *Communion* challenges every woman

## Access Free All About Love New Visions

to courageously claim the search for love as the heroic journey we must all choose to be truly free. In her trademark commanding and lucid language, hooks explores the ways ideas about women and love were changed by the feminist movement, by women's full participation in the workforce, and by the culture of self-help. Communion is the heart-to-heart talk every woman -- mother, daughter, friend, and lover -- needs to have.

A classic work of feminist scholarship, *Ain't I a Woman* has become a must-read for all those interested in the nature of black womanhood. Examining the impact of sexism on black women during slavery, the devaluation of black womanhood, black male sexism, racism among feminists, and the black woman's involvement with feminism, hooks attempts to move us beyond racist and sexist assumptions. The result is nothing short of groundbreaking, giving this book a critical place on every feminist scholar's bookshelf.
