In Robert Altman's hands, the  
mystery is the jumping-off point  
for a perceptive social satire, and  
the joke is that no one on screen is  
all that interested in the murder  
mystery either. No one seems to  
mourn the dead man, and the  
fatuous detective (a hilarious  
Stephen Fry) sent to solve the  
case seems resigned to the notion  
that the murder will go unsolved.
