Vengeance Of The Iron Dwarf (Forgotten Realms: Companions ...

Vengeance of the Iron Dwarf is the third and final book of the Companions’ Codex trilogy, and the 27th part of the Legend of Drizzt, that is, the 27th novel about the extremely popular dark elf ranger by Bob Salvatore. It is also, I’m saddened to say, an awful book.

The War of the Silver Marches rages across the Forgotten Realms in this unforgettable final episode in the Companions Codex The reunited Companions of the Hall are separated once more—thrown to the far corners of a war that’s bigger than any of them realized. They fight for the safety of Mithral Hall, but it's their own souls, and the soul of Faerûn itself, that truly hangs in the balance. In the dreaded depths of the Underdark, Regis and Wulfgar seek shelter in the fabled Silvermoon, from which they can launch a series of daring new raids. The rest of the Companions reside at the besieged Mithral Hall, where new friends arrive on a mission of mercy—if such an emotion can rest in the heart of a dragon. Meanwhile, the orc warlord Hartusk turns his savage horde on Everlund, one of the great cities of the Silver Marches. Though it stretches his forces thin, it’s a move that could help him achieve his goal of becoming the master of the North. But Hartusk’s treacherous drow allies have a different goal. They want nothing except the death of Drizzt Do’Urden—even if it comes at the cost of human, dwarf, elf, and orc lives. The world is cloaked in darkness and blood runs in rivers across the North; orc hordes rage on and cities fall under brutal siege; old friendships are tested and new alliances are forged. But in the end, it may come down to a single dark elf choosing life over death, forgiveness over vengeance, law over chaos . . . peace over war. Vengeance of the Iron Dwarf is the third book in the Companions Codex and the thirtieth book in the Legend of Drizzt series.

Bloody war rages across the Forgotten Realms world in the third book of the Companions Codex, the latest series in R.A. Salvatore's New York Times best-selling saga of dark elf Drizzt Do'Urden. In the evolving world of the Forgotten Realms setting, the Sundering has given way to months of cloud-cloaked darkness, and war rages under that oppressive sky. The orcs have broken a hard-fought treaty that's held, however tentatively, for a hundred years, and the time to settle old scores has devolved into an all-out brawl for control of the ancient realms of the North.

Returning with his reunited companions to Gauntlgrym in the hopes of rescuing Bruenor's loyal shield dwarf, dark elf Drizzt Do'Urden navigates the dangers of the Underdark while struggling to outmaneuver a murderous drow colony. By the best-selling author of the Forgotten Realms: The Legend of Drizzt series.

In the second book of the Companions Codex, the latest series in R.A. Salvatore’s New York Times best-selling saga of dark elf Drizzt Do’Urden, the orcs of Many Arrows decide to take advantage of the chaos wrought by the Sundering to reignite a blood feud first brought to life in the phenomenal best seller The Thousand Orcs.

“The Companions is the best novel [R.A.] Salvatore has ever written. It’s insanely courageous, profoundly powerful, masterfully constructed, and easily Salvatore’s most ambitious work to date.”—Paul Goat Allen, BarnesandNoble.com “After a quarter of a century, R.A. Salvatore just keeps getting better and better, and The Companions is another masterful leap forward for one of the greatest fantasy epics of all time.” —Philip Athans, best-selling author of Annihilation and The Haunting of Dragon’s Cliff This latest installment in New York Times best-selling author R.A. Salvatore’s beloved fantasy saga, The Companions moves Salvatore’s signature hero Drizzt into a new era of the Forgotten Realms. As Drizzt’s fate hangs in the balance, he reflects on the lives of the trusted allies who stood by his side throughout his early life—the friends now known as the Companions of the Hall. Meanwhile, the first stirrings of the Sundering begin.

Contains four fantasy adventures with Drizzt Do’Urden and his allies as they fight the vengeance-driven Spider Queen Lolth and her drow followers.

In the 3rd book of the #4 New York Times best-selling Neverwinter Saga, Drizzt draws his swords once more to aid his friends. His lover, Dahlia Sin’felle, can speak of nothing but the moment she will face the Netherese lord Herzgo Alegni once again. Drizzt has already followed a trail of vengeance beside Dahlia. Can he justify one more battle to settle a grudge he does not understand? Artemis Entreri too seeks vengeance. He offers to aid Dahlia in her mission to destroy Alegni. But Charon’s Claw, Alegni’s sentient sword, dominates Entreri’s movements—if not his mind. And then there’s the way Entreri looks at Dahlia. Can Drizzt trust his old foe? Praise for the Neverwinter Saga: “Emotional, respectful of its characters, intelligently written and structured, and finally summons a sense of nostalgic sorrow throughout”—Fantasy Book Review on Gauntlgrym, Neverwinter Saga Book I “Full of excitement. Salvatore has mastered the art of showing a beautiful fight scene, and he is at the top of his game in this one. We meet many characters with many different fighting styles, and Salvatore does a great job of distinguishing between them. He manages to take these scenes from so much more than just a fight scene, to an integral part of the story.”—The SFF Hub on Gauntlgrym, Neverwinter Saga Book I “A quick read with some very satisfying fight scenes. It’s also deeply layered with emotional atmosphere” —California Literary Review on Gauntlgrym, Neverwinter Saga Book I From the Hardcover edition.

DRIZZT RETURNS TO THE UNDERDARK! “After a quarter of a century, R.A. Salvatore just keeps getting better and better, and The Companions is another masterful leap forward for one of the greatest fantasy epics of all time.” —Philip Athans, best-selling author of Annihilation and Writing Monsters R.A. Salvatore Archmage The pall that had descended over the North is gone, and a new day has dawned on a victorious Mithral Hall, but no matter how bright things seem on the surface, Drizzt and his companions know that what lurks just under their feet remains steeped in evil and charged with unimaginable power. The dark elves of Menzoberranzan, including the powerful Archmage Gromph, aren’t done with Drizzt yet. And consumed by their own power struggles, feeling backed into a corner, the drow may just be desperate enough to call on demonic forces from the deepest reaches of the Abyss, and unleash a disaster even the Underdark could never have prepared for. Archmage has everything Drizzt’s fans crave: action, adventure, characters that resonate with equal measures of warrior spirit and deep compassion, and no shortage of wicked dark elves!

In the chaotic aftermath of the Sundering, the orcs of Many-Arrows reignite their bloody feud with Bruenor Battlehammer Having escaped Gauntlgrym, the Companions of the Hall are united in body and spirit—but not in ideals. As the Darkening casts its shadows upon the northern cities of the Shining White, portending war, the past rears its angry head. Old debts insist on payment and old wrongs demand to be set right. The bloody dwarf-orc feud reignites with disastrous consequences. When drow Quenthel Baenre urges the orcs into war, a new and bloodthirsty king takes the throne of Many-Arrows. The savage orc hordes gather under his command, bringing an end to the decades of peace in the North. Dwarf steel meets ancient enemies, painting the Spine of the World in red. In the middle of this chaos, the Companions march onwards—to rescue Pwent from his vampiric curse and to reclaim Bruenor’s throne; to combat the treachery of the black-souled drow and to defeat the orcs. As the world repeats a deadly cycle of violence and hate, Drizzt Do’Urden is forced into a fight for his life, his loved ones, and his very soul. Rise of the King is the second book in the Companions Codex and the twenty-ninth book in the Legend of Drizzt series.

Preparing to launch an assault on Drizzt Do'Urden and Mithril Hall, Matron Baenre, the head of a powerful ruling house, offsets the balance of the land's magical laws and releases Lloth, the Spider Queen, throwing the dark elf metropolis into chaos. Reprint.
